Public Comment: Members of the public may address the Commission on items of interest to the public that are within the subject matter jurisdiction of the Commission. With respect to agenda items, members of the public may address the Commission for up to three minutes at the time such item is called.

2) Discussion and possible action to adopt the legislative agendas for future meetings, set meeting times, set hearing requests and propose invitations of Department Heads that may be affected by the proposed changes for their input to the Committee. [Action Item]

3) Provisional Permit - Discussion and possible action to recommend to the full Commission the adoption of policy to allow provisional granting of a one-day permit. This would pertain to situations where applicants need entertainment or extended hours approval before signing a lease or contract. This would be similar to a conditional grant for a permanent POE in that the permit would become valid only after legal permission is given by the property owner as well as approval by fire, health or other relevant city departments. [Action Item]

4) Extended Hours Premise - Discussion and possible action to recommend to the full Commission the endorsement of legislation to change 1070.19 a2 and to propose that said legislation be carried by Supervisor Duffy the author of the change to 1070.19 a2. The proposal is to change 1070.19.a2 by adding the word permanent as follows; "A place of entertainment without a permanent liquor license". This would allow for a venue such as SomArts to hold an 18+ event with after-hours and simultaneously hold a one-day liquor license. The purpose of allowing non-profits to take out one-day liquor licenses is for fundraising and sometimes the profits from the bar helps subsidize the costs of the entertainment. Current code allows a "for-profit" business with liquor licenses to have 18+ after-hours events, but does not allow this same right for non-profits and the city's own cultural centers. This would correct that inequity. [Action Item]

5) Special Dance Permit - Discussion regarding the need to clarify the existing interpretations, requirements and restrictions and discuss proposed changes to same.
